HOME Investment Partnership Program Introduction and Proposal Submission Requirements

The City of Buffalo ("City"), through the Buffalo Urban Renewal Agency ("BURA"), is seeking proposals through the federal HOME Investment Partnership Act to assist in the development of affordable housing projects in the City of Buffalo. The City of Buffalo and BURA will support projects that provide for **an increase in the number of affordable housing units through new construction of Single Family Infill for First Time Homeownership.**

The HOME Investment Partnership Program was created under Title II of the National Affordable Housing Act of 1990. The general purposes of HOME are expanding the supply of decent and affordable housing particularly rental housing, for low and moderate income residents, strengthening the abilities of State and local governments to design and implement strategies for achieving adequate supplies of decent affordable housing, providing financial and technical assistance to participating jurisdictions, extending and strengthening partnerships among all levels of government and the private sector, including for profit and nonprofit organizations, in the production and operation of affordable housing.

Through this program, activities have been undertaken to enhance ongoing neighborhood revitalization efforts. For the funding period covered by this application the City will assess proposals received that address the goals outlined in the City's Consolidated Plan.

All HOME Funding is provided in the form of a loan. **ALL PROCEEDS GENERATED FROM SALES TO ELIGIBLE FIRST TIME HOMEBUYERS MUST BE RETURNED TO BURA FOR REPROGRAMMING.**

The City of Buffalo Consolidated Plan may be found at: <https://www.buffalony.gov/324/Consolidated-Plan-Documents>

Information regarding the HOME Program and implementing regulations and guidelines for the 2012 and subsequent years allocation (CPD Notice 2012-07) can be found at:

<https://www.onecpd.info/home/home-final-rule/>

<http://www.hud.gov/offices/cpd/affordablehousing/programs/home/index.cfm>

http://portal.hud.gov/hudportal/HUD?src=/program_offices/administration/hudclips/notices/cpd

Applicants are expected to be familiar with the guidelines/regulations that govern the HOME program which include but are not limited to:

1. Affordability requirements
2. Relocation regulations
3. Lead Based Paint
4. Conflict of Interest

6. Affirmative Marketing and Fair Housing
7. Affirmative Action and Minority and Women Business Enterprises

9. Any other regulations that may apply

Applicants will be expected to provide copies of their entity's policies with respect to enforcing these requirements. As the Program Administrator for the City's HOME grant funds, the regulations provide that BURA has the right to impose stronger requirements than those stated in these regulations.

Note that BURA has mandated a Procurement Policy which requires three bids for all purchases and agreements for services (such as general contractors, managing agents, etc.) and lowers the small purchases ceiling to \$10,000 per contract in accordance with New York State Municipal Law. These standards should guide the selection of members of your development team. See also Evaluation Criteria – Cost Reasonableness.

HOME Program Regulations

Recipients of HOME funds must comply with all applicable federal requirements set forth in Title 24 CFR Part 92 of the Code of Federal Regulations.

Following are some of the additional program requirements that must be met once a business/organization is selected for funding.

1. Insurance Coverage - Worker's Compensation insurance must be purchased under the provisions of the New York State Worker's Compensation Act. Liability insurance, in the amount of a minimum of \$1 million per occurrence, \$2 million aggregate, also must be purchased and BURA and the City must be named as additional insureds and Builders Liability Insurance when applicable.
2. Affirmative Marketing Plan - The organization selling the units must follow an Affirmative Marketing Plan to reach income eligible families as described in 24 CFR 92.351 for projects with 5 or more HOME-assisted units. This Affirmative Marketing Plan must be approved by BURA prior to implementation.
3. For projects with 12 or more units, Davis-Bacon regulations must be followed in addition to the bidding requirements as described in Title 42, Chapter 69, Section 5310.
